RR BAWA DAV COLLEGE FOR GIRLS

BATALA-143505 (PUNJAB) INDIA

Re-Accredited with 'A' Grade by NAAC, Bangalore

"College with Potential for Excellence" Status Conferred by UGC, New Delhi
A Multi Faculty Post Graduate College

Managed by DAV College Managing Committee, New Delhi

Name of the Teacher: Ms Aastha

Department :Computer Science

Class :PGDCA I

Session: 2023-24

Subject : Fundamentals of Computer and Operating System

Term Wise Teaching Plan

August to September

Fundamentals of Computer and Introduction to Window Vista.
DOS and its Internal & External Commands, Batch systems, Real, Multitasking
and Multiprogramming systems.

October to November

Introduction to Unix, its structure, commands and its file system.
Shell Programming, Types of shells, Filters, VI editor, Piping, Batch Processing.

Subject : Advanced Software Engineering

Term Wise Teaching Plan

August to September

Fundamentals of Software project
planning Conventional Software Management, Evolution of Software Economics, Improvement of Software Economics, Comparison of old and modern ways of S/W Management
Software Re-engineering: Introduction Re-engineering, Restructuring and Reverse Engineering, Reengineering existing systems, Data Re-engineering and migration, Software Reuse and Re-engineering.
Object-Oriented (OO) Measurements: Introduction,, Classification of OO metrics, Study of Design Metrics- method size, method internals, class size, class inheritance class intervals and class externals.

October to November

Object-Oriented Analysis and Design: What is Object-Oriented Design ?, Object, Abstraction, Collaboration among Objects, Polymorphism, Classes, specifying State, Specifying Behavior, Class Relationships, Grouping, Hiding
Software Agents: Definition, Applications, Types and Classes, Multi-Agent systems, characteristics & Properties Agents
